13. Until the district has accumulated a reserve fund of ten thousand dollars the Trustees shall in each year raise by taxation the sums required to meet the current expenses of the district, and in addition a levy of fifty cents an acre on all arable land in the district. The Trustees shall place all moneys of the district not required for current expenses in the said reserve fund and shall invest the same in bonds of the Dominion of Canada or of the Province of British Columbia, and shall not use any part of the said fund without the written consent of the Creston Reclamation Company, Limited.

14. Section 197 to 206 and 210 to 213, inclusive, and Schedule B of the "Water Act" shall not apply to this improvement district, and the following provisions shall apply.

In this clause the expression "majority in area of the owners" means owners holding in the aggregate more than fifty per cent. in area of the arable land in the district held, in the aggregate, by all the owners present and voting on any matter.

"In the year 1938 and in each year thereafter an annual general meeting of the owners of land within the improvement district shall be called by the Trustees, and shall be held between the fifteenth day of February and the fifteenth day of April at a place within or in the vicinity of the improvement district, for the following purposes:—

"(a.) To receive from the Trustees a report on the condition of the works and a statement of the financial condition of the improvement district:

"(b.) To discuss with the Trustees any matter relating to the works or finances of the improvement district:

"(c.) To fix the remuneration of the Trustees for the ensuing year:

"(d.) To elect a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, and to elect a Trustee to succeed the one whose term of office expires coincident with the holding of such annual general meeting.

"A special general meeting may be called by the Trustees at any time for the purpose of electing a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, or for the purpose of discussing with the owners any matter or matters relating to the works or finances of the improvement district which in the opinion of the Trustees should be brought up at a general meeting.

"At least six days' notice of every general meeting shall be given by notices posted up in at least two conspicuous public places in the

improvement district, and at the post-office in Creston, B.C. The said notices may be in Form 4 of Schedule A of the 'Water Act.'

"The owners present at any general meeting, except the one called pursuant to clause 10 hereof, shall choose a chairman and secretary of the meeting.

"The secretary shall enter in a book provided by the Trustees for that purpose minutes of all matters brought before the meeting, including all resolutions proposed and the action taken thereon and all votes taken upon any matter. The persons entitled to vote at any general meeting shall be such as are British subjects, and are of the full age of twenty-one years, and are owners (as defined in section 165 of the 'Water Act') of land within the territorial limits, or are the duly qualified agents of such owners, and are not of Chinese, Japanese or other Asiatic or Indian race, and are not indebted to the district in respect of any taxes which have been owing for twelve months or longer. Not more than one of joint owners, executors, or trustees shall be entitled to vote as owners of any parcel of land. All elections, resolutions, and other matters voted on at any general meeting shall be determined by a majority in area of the owners present and voting on any matter. In the event of the right of any person to vote at any such general meeting being challenged, the chairman may require such person to make and file with him a statutory declaration showing that the declarant is qualified as aforesaid to vote at such general meeting. Forthwith after the holding of a general meeting the Trustees shall file with the Water Board a true copy of the minutes of such meeting."

15. All words and phrases given special meanings in section 2 or section 165 of the said Act shall, where used herein, be ascribed the meanings given them in the said sections unless the context otherwise requires.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.
